

MEMORANDUM
BOARD OF COUNTY COMMISSIONERS
COMMISSIONER DANIELLA LEVINE CAVA
DISTRICT 8

TO: Honorable Carlos A. Gimenez
Mayor

DATE: March 16, 2020

FROM: Honorable Daniella Levine Cava
Commissioner, District 8

SUBJECT: Business Damage Assessment
Survey

Daniella Levine Cava

Governor Ron DeSantis has activated the Statewide Business Damage Assessment Survey to help track the types of assistance needed to help our businesses manage and recover from the novel coronavirus pandemic.

As an important part of our recovery effort, I am requesting that the County actively promote the survey tool to our business community. I'm also asking that the County seek the data submitted by Miami-Dade businesses, so we can better inform our response to local business and workforce needs.

I am requesting that the information about the Business Damage Assessment Survey be placed on the front page of the County website as well as the miamidade.gov/coronavirus page and that extra effort be made to promote the survey to our business community through our social media channels and other effective County information outlets.

Finally, I am also asking that the data shared by the State DEO with Miami-Dade from the survey be aggregated by Commission District and provided to each Commissioner.

Geri Bonzon-Keenan, Assistant County Attorney
Linda Cave, Clerk of the Board
